Sherry, especially in more fortified forms, was a mainstay of European explorers. Columbus likely brought various types of sherry on his first voyage. Though Italian, Columbus sailed on behalf of Spain - so, sherry. Loads of sherry.

# GULLYWASH

**Columbus Fact #4** - A real quote from Columbus' journal: "...there are plenty of dealers who go about looking for girls; those from nine to ten are now in demand, and for all ages a good price must be paid." Yep, they raped nine year-olds.

**Columbus Fact #5** - Following Columbus' third voyage, he was imprisoned because of his acts of cruelty. That's correct - we have a national holiday that celebrates a war criminal that was punished by the very country he sailed for.

**Columbus Fact #7** - It is estimated that Columbus' conquest collectively resulted in the deaths of 3 - 5 million people. Thousands were brutally murdered or enslaved under his reign, making him one of the worst mass-murderers ever.
